Have you been involved in a road traffic accident...

...not your fault?

We can help recover your losses and get you back on the road, saving you time, hassle and money.

Barlow Robbins Accident Management

We understand that after an accident things can be very stressful. You need to get back on your feet and back on the road as quickly as possible; we can help you do this. We can take the stress away so you can focus on getting things back to normal.

Barlow Robbins LLP is a local and well established firm of solicitors with a successful track record in personal injury and complex claims. Our professional and experienced lawyers are here to help, either over the phone or in person at our offices in Guildford, Woking and Godalming.

Accident Answers is a local, family run business that has been assisting clients with their insurance claims since 1992. We can provide you with a like-for-like temporary replacement vehicle while yours is off the road.

Together we can help you claim back, or even pay your insurance excess and recover any out-of-pocket expenses. We can help to resolve any liability or costs disputes through our independent teams of accident investigators and engineers. Even if it needs to go to court, we can handle things for you.

There is no upfront fee for you to pay. Any costs incurred by us are directed to the insurers of the party at fault. You should not have to pay a penny.

We can help you to:

- Meet any financial obligations
- Claim personal injury compensation
- Claim out of pocket expenses
- Recover loss of earnings
- Recover your vehicle
- Securely store a damaged vehicle
- Recover insurance excess
- Obtain a similar temporary replacement vehicle
- Obtain a new vehicle
- Protect your no-claim bonus
- Preserve your car's warranty
- Meet your obligations for any finance agreements

We will meticulously handle all parts of the claim so that you don't have to!
